If Symptoms of a respiratory infection appear, please go to the factory dispensary, or to the nearest dispensary.

1. Clean all surfaces, frequently touched surfaces and objects, such as toys, refrigerator handles, desks, and door knobs, faucets, childcare facilities, schools, workplaces, and other settings where people regularly gather.

2. Alcohol (e.g. isopropyl 70%, ethyl alcohol 60%) can be used to wipe down surfaces where the use of bleach is not suitable, e.g. metal.

3. Avoid close contact with people and public assemblies.

4. Wash hands with soap and water.

5. Do not travel while sick.

6. Stay home and avoid contact with others.

7. Use an alcohol-based hand sanitizer if soap and water are not available.

8. Wash hands regularly with soap and water.

9. Cover your mouth and nose with a tissue when coughing or sneezing.

10. Avoid hugging or kissing others.

11. Avoid close contact with people and public assemblies.

12. Prevent the spread of infection by washing hands and just wave.

Pneumonia
Cough
Runny Nose
